Rolland A. Harr

Speaker: Dr. Jay Apt

"This View of Earth"

Astronaut and author Dr. Jay Apt takes you on an exciting tour of Earth as viewed through the photography of NASA astronauts from Earth's orbit. Geography, natural change, and change to the planet caused by people are all part of this unique view of Earth. Using many of the stunning photographs from his book, *Orbit: NASA Astronauts Photograph the Earth*, Jay Apt shares the experience of looking at Earth in a poetic and emotional way.

Friday, January 29

Aviation Maintenance Seminar

See www.avmechseminar.org for a current list of speakers.

The maintenance seminar will be FAA approved for those wishing to renew their Inspection Authorization on the basis of FAR 65.93(a)(4). Persons interested must attend at least 8 hours of this seminar to be eligible for renewal of their certification.
